

Up With The Birds  
Coldplay

The birds they sang, break of day  
Start again I hear them say  
It s so hard to just walk away  
The birds they sang, all a choir  
Start again , a little higher  
It s a spark in a sea of grey

The sky is blue  
Dreameed that lie til it s true  
Then takin back the punch I threw  
My arms turn wings  
Oh, those clumsy things  
Send me up to that wonderful world  
And then I m up with the birds

Might have to go where they don t know my name  
Float all over the world just to see her again  
And I won t show or feel any pain  
Even though all my armour might rust in the rain

A simple plot, but I know one day  
Good things are coming our way  
A simple plot, but I know one day
