C#m
Was a long and dark December
B
From the rooftops, I remember
A F#m (Riff 1)
There was snow, white snow

C#m
Clearly I remember
B
From the windows, they were watching
A F#m (Riff 1)
While we froze down below

A
When the future s architected
B C#m
By a carnival of idiots on show
B
You d better lie low

G#m A G#m
If you love me
E C#m B C#m
Won t you let me know?

(C#m)

C#m
Was a long and dark December

B

When the banks became cathedrals

A F#m (Riff 1)

And a fox became God

C#m

Priests clutched onto bibles

B

Hollowed out to fit their rifles

A F#m (Riff 1)

And a cross was held aloft

A

Bury me in armour

B

When I m dead and hit the ground

C#m B

My nerves are poles that unfroze

G#m A G#m

And if you love me

E C#m B C#m

Won t you let me know?

(C#m)

A

I don t want to be a soldier

B

with the captain of some sinking ship

C#m B

with stow, far below

G#m A G#m

So if you love me

E C#m B C#m

Why d you let me go?

(C#m)

A B C#m F#m E C#m B A

I took my love down to the violet hill

B C#m G#m A

There we sat in snow

B C#m F#m E C#m B

All that time she was silent still

G#m A G#m E C#m B A

So, if you love me, won t you let me know?

G#m A G#m E C#m B C#m

If you love me, won t you let me know?
