This Is My first Tab...:P I don Know If correct...Sounds Okay

[**A#**] I slipped away last night
Took me away from sight and the **Fm** place I know. **D#**
[**A#**] All crushed upon my skin
This mess I put you in and the [**Fm**] punch i threw.**D#**

[**A#**]It was a strange reaction
for someone like you to [**Fm**]remain on side **D#**
[**A#**]And in a chain reaction
I was down and calling for[**Fm**] a place to hide.**D#**

[Thats It Folks] Continue All The Way through...

I saw a broken arm
Machines will all break down in the way I know.
Mended and all made clean
I saw up on the screen all the stones I throw.

It was a strange reaction
for someone like you to remain so sure
And in a chain reaction
I dissolve and break and then away I crawl.
