Coleske - Take Me Where The Sun Is Shining
Transcribed by Zdenek Kunicky (zdenekkunicky@seznam.cz)

Coleske is a one-hit-band from South Africa which probably does not exist anymore (or at least no official website) but this song is a cool one so I think it is good to put a transcription on the web.

(original capo 4)

Intro:

Take me where the sun is shining, where the air up in the skies

Em (2x)

are in my eyes, and I will fly

Verse:

Em **G** **D/F#** **Cmaj7**
Overcasting sight, a view that wears the colour of the night

Am7 **B7**

Appearing everytime I feel alright

Em **G** **D/F#** **Cmaj7**
No definition too close to see what s in front of me

Am7 **B7**
Distance can bring a change to this illusion

Em **D/F#** **Cmaj7** **D** **G** **D**
For just a moment I m getting down again, so lift me up

Ref:

G **C**
Take me where the sun is shining

D **G** **C**
Where the air up in the skies are in my eyes

G **C**
And I will fly to where

D **G** **C** **D** **Em** (2x)
My dreams are hiding somewhere in the sky, for just a while

Verse:

Bridges all around, where victories of winners still survive
And the evidence of losers on the ground
Traces left behind, not always easy to erase a time
So hard to get it out this frame of mind
And every hour it makes me wonder, why I should stay

Ref:

Same as before, end on G instead of Em

Solo:

| **Am** | **B7** | **Am** | **D** | **Fmaj7** | **C** | **D** | ||

Ref: (shortened, 1 step up, a capela where chord put in braces)
