```
F#                B                      F#        B
Hey girl, what can I do with you
                     F#                           B              G#         Bb
When you take this ol  heart and tear it in two
          Ebm              C#            Bbm       B
Is it asking so much for you to be true
            G#m          Bbm         B                 C#m
I m an easy going man who takes all that he can

C#
But I tell you
F#          C#      B           C#
It s not easy loving you, baby
F#          C#      B           C#
It s not easy wanting you so
F#          C#      B           C#
It s not easy loving you, baby
            Bbm    C#        B         F#
But it s harder, girl, to let you go
G#m     Bbm     B          F#
Harder, girl, to let you go

F#                B                      F#        B
Girl, I give everything I ve got inside
                     F#                           B              G#         Bb
How much more do you need to keep you satisfied
          Ebm              C#            Bbm       B
I put up with so much, Lord knows I ve tried
            G#m          Bbm         G#m           C#        B
And in spite of all the pain, I try not to complain

C#
But I tell you
F#          C#      B           C#
```

It s not easy loving you, baby
F#   **C#**   **B**   **C#**
It s not easy wanting you so
F#   **C#**   **B**   **C#**
It s not easy loving you, baby
                  Bbm   **C#**   **B**   **F#**
But it s harder, girl, to let you go
G#m   **Bbm**   **B**   **F#**
Harder, girl, to let you go

It s not easy loving you, baby
No, it s not easy
It s not easy loving you so
Loving you, baby
It s not easy loving you, baby
It s not easy
Loving you so ....FADE
