[Verse 1]
G D
My my my its a beautiful world
        D
I like swimming in the sea
                D
I like to go out beyond the white breakers
                      Em
Where a man can still be free or a woman if you are one
I like swimming in the sea
[Verse 2]
My my my its a beautiful world
C D
I like drinking Irish tea
            D
With a little bit of Lapsan su Chang
I like making my own tea

All around is anger, automatic guns

```
Εm
Death in large numbers no respect for women or our little ones
                 C
                       D
Tried talking to Jesus but he just put me on hold
Said he d been swamped by calls this week
And he could not shake his coooooooooold
[Verse 4]
          D
Still this emptiness persists
Perhaps this is as good as it gets
                                          Em
When you ve given up the drink and those nasty cigarettes
                   D
                          Em
Now leave the party early at least with no regrets
I watch the sun as it comes up I watch it as it sets
Yeah this is as good as it gets
[Verse 5]
My my my its a beautiful world
          D
I like sleeping with Marie
               D
                     Em
She is one sexy girl - full of mystery
                     D
She says she doesn t love me but likes my company
For now that s good enough for me
[Verse 6]
My my my its a beautiful world
I like swimming in the sea
I like to go out beyond the white breakers
Where a man can still be free or a woman if you are one
I like swimming in the sea
