Intro: C - D - G (slide from the C to D throughout the song)

C **D** **G**
This boy and girl were lovers

C **D** **G**
They came from different towns

C **D** **G**
Now they both live in the same one

C **D** **G**
They see each other around

C **D** **G**
He saw her at the Rosebowl

C **D** **G**
just the other day

C **D** **G**
she showed him what she bought there

C **D** **G** **G-Gsus2-G/B**
And they struggled for what to say

Chorus:

C **C/B** **Am** **G** **G-Gsus2-G/B**
They say we re made mostly of water

C **C/B** **Am** **G** **G-Gsus2-G/B**

So how come we can't find the sea

C **C/B** **Am** **G** **G-Gsus2-G/B**
They say true love creeps up on you slowly

C **C/B** **Am** **G**
Oh how blind some people can be

Rest of the song played the same. Pretty simple chord wise. Comments welcome.
