Intro - solo over  ||: C#m B A   B A   F#m    C#m B A    B        :||

C#m                         B
I see the clock run down, I watch you look away
A                               F#m       G#m   B
But I never get used to it, at the end of the day.
C#m                   E
In a different world, in another life,
F#m                 G#m
The time would stop, and you d stay all night.
A  B             C#m                 B           ********************
Sundown, and I m feeling the strain              *      Tabbed by     *
A       G#m            F#m                        * Chris Williscroft *
Can t you see it in the lines on my face?        ********************

                  C#m B A                     B          A F#m
It s tearing me up,         and breaking me down
C#m   B      A                   B
Every time you go, you re dragging my love around.
           C#m B A B     A   F#m      G#m
Maybe this once,  better think twice.
A                      G#m      C#m B A B A F#m C#m A B
Stay with me tonight  -  Stay.

See the hours pass in the see-through heat
As we ease down our defenses, and slip into this mystery.
There s a world unknown, there s so much at stake
As we search for away to make up for all this heartache.
Sometimes, I feel I m falling from grace
When every hour takes you farther and farther away.

(chorus)
(solo - 1 verse)
(chorus twice)

Coda: (twice then solo over coda to end)
                  C#m B A                   B          A F#m
It s tearing me up,  and breaking me down
C#m   B      A                   B
Every time you go, you re dragging my love around.
