Collective Soul

The other two tabs were the right chord progressions, just a half step sharp
so i ll save your time and your ears- here s the right tab

[Intro]
B

[Verse]
B, **G#m**, **E**, **B**, **F#**

B
   Are these times contagious
G#m
   I ve never been this bored before
E   **B**   **F#**
   Is this the prize I ve waited for

B
   Now as the hours passing
G#m
   There s nothing left here to insure
E   **B**   **F#**
   I long to find a messenger

[Chorus]
E, **B**, **F#m**

E   **B**   **F#**
   Have I got a long way to run
E   **B**   **F#**
   Have I got a long way to run
E   **B**   **F#**
I run......

Is there a cure among us
From this processed sanity
I weaken with each voice that sings

In this world of purchase
 I m going to buy back memories
To awaken some old qualities

Have I got a long way to run
Yeah, I run.......
