Collective Soul-She Said

Hello, This song is on the Scream 2 Soundtrack and has three guitar s.
What I have tabed is Ed s guitar and a main riff by Dean. Strumming
is the most important part and for this listen to the song to get it down.
If played on a acoustic guitar you could do the cool drum beat on it.
Any questions e-mail me at pumpkins@unm.edu.(Chord changes might be a bit
off but are really close)
