

**Ten Years Later**  
**Collective Soul**

Although I m sure the band plays this tuned down a half step, if you are anything like me you dont really feel like tuning down all the time so here it is transcribed in standard tuning.

Verse #1:

**Ebm F# B**  
Lack of knowledge has a source (oh boy)  
**Ebm F# B**  
Still my thoughts must run their course (oh yeah)

Chorus:

**C#**  
And they do  
**B F# C#**  
Does my memory comfort you  
**B F# C#**  
While your eyes see me through  
**B F# C#**  
Well it s 10 years later and still I haven t a clue  
**B F#**  
Oh I m crying

Verse #2:

Caution breathes a lonely breath (oh boy)  
Love withstands but time must rest (oh yeah)

Chorus:

And it does  
Does my memory comfort you  
Your eyes see me through  
Well it s 10 years later and still I haven t a clue  
Oh it s 10 years later

In terms of the solo it is just some simple meandering along the D# minor scale.
