Note:

Sarah Overment did a great job in transcribing this one but I had to replace a few chords. Instead of the D chord, I used a G/B which will give you the sound needed to match the CD. This is a great song!

Love Remains
Collin Raye

G	G/B	C	D
We are born, one fine	day	Children of God, on our	way
G	G/B	C	D
Mama smiles, daddy cries	Miracle	before their	eyes
Em	D	C	G D G
They protect us,	til we re of age	Through it all, love	rem--ains.

(Verse 2)

Boy moves on, takes a bride.
She stands faithful, by his side.
Tears and sweat, they build a home.
And raise a family of their own.
They share joy, they share pain.
And through it all, love remains.

(Bridge)

Em **C**
Kingdoms come and go but they don't last.

D **G**
Before you know the future is the past.

Em **C**
In spite of what's been lost and what's been gained.

D **G** **D** **C**
We are living proof, that love rem---ains.

(Verse 3)

G **D**
I don't know, baby what I'd do.

C **G**
On this earth without you.

D
We all live, we all die.

C **G**
But the end is not goodbye.

Em **C**
The sun comes up and seasons change.

G **D** **G**
Through it all love remains.

Em **C**
An eternal burning flame.

G **D** **C** **G**
Hope lives on and love rem-ains.

Well, that's about it...when you play the D try alternating between 000232 and 000230 to add a little style. This may be wrong, but it's how I play it, ok? :o)
