Capo 3

**G** **C**  
I sit outside your silent door  
**A**  
It s like an invitation  
**G** **G-C-A**  
Open door telling me walk right in

**G** **C**  
I always like the way  
**A**

And all the time, everything is A-okay

(Chorus)

**G** **C** **Em** **D**  
Cause we don t go here anymore (la-da-da-da)
