[G]Today seemed like a thousand years  
of[Cadd9]freshly fallen snow  
and the[G]music ringing in my ears  
its[D]time for us to go[G]

Someone may recall a[Cadd9]conversation  
[G]Somewhere along the[D]way  
[G]but even after pure[Cadd9]refromation  
[G]I still don t know[D]exactly what[G]I d say  
(Chorus)  
[G]Say hello say[D]goodbye  
say the[Am]sun will always[D]rise  
say you ll[G]dance take a[D]chance  
on[Am]this whole heart of[D]mine  
[C]but if theres one[G]final word[C]that you ll say to[D7]me  
say yo love me[Cadd9]

[G]So yesterday you told me that you[Cadd9]loved me  
and[G]yesterday you said I[D]do  
[G]But I just need you[Cadd9]here to hold me  
and[G]say we ll[D]never be[G]through  
(Chorus)  
[G]Because love is like the [Cadd9]ocean  
and[G]sometimes it gets[D]rough  
[G]But I can keep this[Cadd9]love in motion  
because[G]love is[D]reason[G]enough  
(Chorus)
