Never Gone
Colton Dixon

Capo 1.

[Verse 1]

```
          Am
Lights off, a shot in the dark
           C
We get lost when we re playing a part
            G
We lay blame like we know what s best
         C   Am   F7
It s a shame

        Am
We break when we fall too hard
        C
Lose faith when we re torn apart
          G
Don t say you re too far gone
          C Am F7
It s a shame
          C Am F7
It s a shame
```

[Chorus]

```
C
I m still standing here
G
No I didn t disappear
Am
Now the lights are on
      F7
See I was never gone
C
I let go of your hand
G
To help you understand
Am
With you all along
      F7
Oh I was never gone
```

[Verse 2]

```
                Am
There s space between our lives
                  C
Hard to face but I know we try
        G
To revive, bring it back to life
                C Am F7
Don t walk away
            G
Don t walk away

[Chorus]

C
I m still standing here
G
No I didn t disappear
Am
Now the lights are on
      F7
See I was never gone
C
I let go of your hand
G
To help you understand
Am
With you all along
      F7
Oh I was never gone

[Instrumental]

C      G    Am    F    (2x)

[Verse 3]

   C
I never ever left you
G                              Am      F
Never ever left you, no
              C
He said I never ever left you
G                              Am      F
Never ever left you, no
            C
Jesus never ever left you
G                              Am      F
Never ever left you, no
                   C
He sees us even in the darkness
```

```
G                                          Am      F
Now you know you re not alone

[Chorus]

C
I m still standing here
G
No I didn t disappear
Am
Now the lights are on
      F7
See I was never gone
C
I let go of your hand
G
To help you understand
Am
With you all along
     F7
Oh I was never gone

C
I m still standing here
G
No I didn t disappear
Am
Now the lights are on
      F7
See I was never gone
C
I let go of your hand
G
To help you understand
Am
With you all along
     F7
Oh I was never gone
```
