Subject: CRD : Sail on - The Commodores

These are simple chords to the song. I d really appreciate someone filling in the correct chords (ie. perhaps a D7 or D/A instead of a simple D). I couldn t figure out the change to a different scale in the last part of the song.

Sail on - The Commodores

**F Gm F Gm F**

Sail on down the line

**Gm**

About half a mile or so

**Bb F**

Don t really wanna know where you re going

Maybe once or twice

**Gm**

Time after time I tried

**Bb**

To hold on to what we got

**F**

But now you re going

**Bb C F Dm**

And I don t mind about the things you re gonna sail on

**Bb C F Dm**

I give all my money and my time

**Bb C**

I know it s a shame

**Am Dm Bb F Bb**

But I m giving you back your name

**Bb C**

Yes, I ll be on my way

**Bb C**

I won t be back to stay

**Bb C**

I guess I ll move along

**F Gm F**

I m looking for a good time

Sail on down the line  
Funny how the time can go  
Friends says they told me so but it doesn t matter  
It was plain to see  
That a small town boy like me  
Just wasn t your cup of tea  
I was wishful thinking

I gave you my heart and I tried to make you happy  
And you gave me nothing in return  
You know it ain t so hard to say  
Would you please just go away  
I ve thrown away the blues  
I m tired of being used  
I want everyone to know  
I m looking for a good time  
Good time

(The scale changes here but to what, I don t know)

Sail on honey  
Good times never felt so good
