Subject: CRD : Sail on - The Commodores

These are simple chords to the song. I d really appreciate someone filling in the correct chords (ie. perhaps a D7 or D/A instead of a simple D). I couldn t figure out the change to a different scale in the last part of the song.

Sail on - The Commodores

A Bm A Bm A

About half a mile or so

D E A F#m

And I don t mind about the things you re gonna sail on

D E A F#m

I give all my money and my time

D E

I know it s a shame

C#m F#m D A D

But I m giving you back your name

D E

Yes, I ll be on my way

D E

I won t be back to stay

D E

I guess I ll move along

A Bm A

I m looking for a good time

Sail on down the line
Funny how the time can go
Friends says they told me so but it doesn t matter
It was plain to see
That a small town boy like me
Just wasn t your cup of tea
I was wishful thinking

I gave you my heart and I tried to make you happy
And you gave me nothing in return
You know it ain t so hard to say
Would you please just go away
I ve thrown away the blues
I m tired of being used
I want everyone to know
I m looking for a good time
Good time

(The scale changes here but to what, I don t know)

Sail on honey
Good times never felt so good
