

Greek God
Conan Gray

[Verse 1]

C **Am** **Em**
Oh, I don't really care if you like me or not
Em
But I know that you want me to
C **Am**
Oh, anythin' I do, I know you're gonna watch
Em
To rumor up that I'm a fool
C **Am** **Em**
You and all your friends have to walk in a squad
Em
Cause y'all are so insecure
C **Am** **Em**
Oh, overcompensate cause you're sizing me up
Em
The oldest trick in the book

[Pre-Chorus]

C **Am** **Em**
There's nothin' you could do
Em **C**
To dampen up my mood
Am **Em**
There's nothing you could say
Em **C**
Won't like you anyways
Am **Em**
I know that you been hurt
Em **C**
Don't mean that it's our turn
C **Em**
Mmm

[Chorus]

C **Am**
Cause I know what you really want
Em
A little more confidence
C **Am**
This is where it's gotta stop
Em
I'm tired of hearin' it
C **Am**

You re just gonna be a fraud

Em

Oh, we re nothin but fickle friends

C Am Em

Greek God, good God

C Am Em

I don t like what you said to my friends
 Em **C**
One day you re gonna regret
 Am **Am** **Em**
Ever messin with them

[Chorus]

C **Am**
Cause I know what you really want
