

**Can Make Me Cry**  
**Concrete Blonde**

**G C**

Lots of guys can make me laugh  
And show me some good time

**G C D**

Treat me nice and want me by their side

**G C**

Lots of people call themselves my friends  
And that s all right

**G C D**

But you re the only one I let inside

**D C G**

You re the only one who leaves me warm and satisfied  
You re the only one who takes me wrong and makes me right

**G C**

Oh and if you took your love away  
You d leave me high and dry

**D C G**

Cause baby, you re the only one can make me cry

Lots of people talking at me  
Tell me what is right  
And lately I just don t know what to do  
Ah, the only thing that matters is  
If you re with me at night  
Everything s all right when I m with you

You re the only one who leaves me warm and satisfied  
You re the only one who takes me wrong and makes me right  
Oh and if you took your love away  
You d leave me high and dry  
Baby, you re the only one can make me cry
