

**Caroline**  
**Concrete Blonde**

**C**            **Em**

Well I hear you re driving someone else s car now  
she said she came and took your stuff away  
all the poetry and the trunk you kept your life in  
I knew that it would come to that someday

like a sad hallucination  
when I opened up my eyes  
the train had passed the station  
and you were trapped inside  
and I never wondered where you went,

**C**        **Em**                            **D**  
I only wondered why, I wondered why

CHORUS

oh Caroline  
oh Caroline  
oh Caroline  
oh Caroline

well I hear you re using someone else s number  
she said she saw you in the store today  
it doesn t matter whose address you re listed under  
I only know they ll never make you stay

like a memory in motion  
you were only passing through  
that is all you ll ever know of life,  
that s all you ll ever do  
there s a dream I have where I sail away  
looking back, I wave at you  
and I wave goodbye

oh Caroline  
oh Caroline  
oh Caroline  
oh
