Where the years behind are pile up high

C

We'll find a way

Some say easy come

Some say easy go

Some say time flies by too fast

Some say it drags on all too slow

Well I thought you could

You know I thought you could

And I thought I could too

But if you never find

The heart to start all over again

Remember I was the one

Who tried to be a friend to you

Well I know I tried

Yes you know I tried

And I know you tried too

Go to sleep now

Go on dream away

Isn't easy is it babe?

And I hope

And I dream

And I pray

That sometime

We'll find a way

Bridge:

C Am F G

C F C F

C Am F G

Go to sleep now

Go on dream away

Isn't easy is it babe?

And I hope

And I dream

And I pray

That sometime

We'll find a way
