C#m

Hello

E

A

I ll press my lips to yours to explain

B

C#m

Sporadically use my tounge to reiterate

E

A

B

In the form of an oxygen dream i m dying to breathe you deeply

C#m

E

Someday someday i ll have to turn and walk away

A

B

To find my place i ll search this whole world over

C#m

E

But everything i am you ve got it, you ve go it

A

B

And i will return i swear i, i swear it

C#m

A

A

Though i am gone i m still right here

B

Just like i ve been for twnty-one years

C#m

E

A

And it s all i that i know how to be

B

I promise don t worry about me

CHORUS

C#m

E

A

B

I ll return to you the day your hope is freed and all the ends

C#m

E

A

B

I ll cauterize your hand in mine and never let go
