LYRICS:

I don t want to believe that it s too late
But you re showing me it may be too late

Open your eyes, you re the dead in disguise
Forget your Friday night, think about your life
Believe me there has to be a better way for everything
I don t want to be the bearer of bad news, but I will

And I don t want to believe that it s too late
But you re showing me it may be too late

Things you don t know will continue to grow
Your weakness is exposed and we re all letting go
Believe me there has to be a better way for everything
I don t want to be the bearer of bad news, but I will

And I don t want to believe that it s too late
But you re showing me it may be too late
And I don t want to believe that I am wasting all my time
On a lost cause that won t listen
Who will gladly live a lie

Since you refuse my help again
I ll say goodbye to you my friend
Best of luck to you

And I don t want to believe that it s too late
But you re showing me it may be too late
And I don t want to believe that I am wasting all my time
On a lost cause that won t listen
Who will gladly live a lie
