Second Hand Love: Connie Francis.  
#7 in USA in 62.

#1.

**D** **A**  
They tell me that thereâ€™s someone else, you really truly love,  
**A7** **D**  
and even when we kiss that sheâ€™s the one youâ€™re thinkinâ€™ of.  
**F#** **Bm**  
I guess itâ€™s true, â€™cause once or twice you called me by her name,  
**E** **E7** **A** **A7**  
I need you so, but now I know, that you donâ€™t feel the same.

CHORUS:

**G** **D**  
Itâ€™s all over town, you put me down,  
**E** **A A7** **D** **G D**  
Iâ€™m a second hand love, a second hand love.

#2.

**D** **A**  
Though late at night I sit alone and count the tears that fall,  
**A7** **D**  
Iâ€™d rather have this kind of love, than not see you at all.  
**F#** **Bm**  
My friends all say, Iâ€™m better off, if we should drift apart,  
**E** **E7** **A** **A7**  
but every day I hope and pray, Iâ€™ll be first in your heart.

CHORUS:

**G** **D**  
Itâ€™s all over town, you put me down,  
**E** **A A7** **D**  
Iâ€™m a second hand love, a second hand love.  
**E** **A A7** **D** **G D**  
Just a second hand love, a second hand love.

REPEAT#2.

CHORUS:

A sixties smash from Kraziekhat.
