

## Slowly Oh So Slowly

Conor Oberst and the Mystic Valley Band

I got these chords from videos of CO on youtube, the hardest part was the last stanza, so if you think it needs correcting, let me know.

Thanks

**C** **Am**  
Potential, well, you re a loaded line  
**C** **F**  
The veil between the world and the faceless bride  
**G** **Am**  
There s nothing yet but a bunch of white  
**F** **C**  
Oh potential, well, you re a loaded line

**C** **Am**  
Tomorrow, well, I will wait for you  
**C** **F**  
Laying right here floating in this swimming pool  
**G** **Am**  
There s a lot of things I ve got left to do  
**F** **C**  
Oh tomorrow, but I ll wait for you

**Am** **C**  
The days keep slipping down into the cracks  
**Am** **G**  
It takes a while to realize where you re at  
**C** **F**  
Slowly (so slowly)  
**C** **F**  
Slowly (so slowly)  
**C** **F G**  
Slowly, it s slowly ending

**C** **Am**  
Dementia, you better treat me good  
**C** **F**  
The human race is in its second childhood  
**G** **Am**  
I never learn but I understood  
**F** **C**  
Oh dementia, you better treat me good

**C** **Am**  
Sometimes I need a place to go  
**C** **F**  
Classical music plays from the radio

**G** **Am**  
I sit real still, let my shadow grow  
**F** **C**  
Yeah, sometimes I need a place to go

**Am** **C**  
My mind keeps slipping back into the past  
**Am** **G**  
I hope someday I can get it back  
**C** **F**  
Slowly (so slowly)  
**C** **F**  
Slowly (so slowly)  
**C** **F** **G**  
Slowly, they re slowly ending

So slowly  
**C** **F**  
Slowly (so slowly)  
**C** **F**  
Slowly, slowly  
**F** **G**  
It s slowly ending

**Am** **C**  
And soon that train is going to pull away  
**Am** **C**  
I hear it whistling, I try to wave at a glowing face  
**G**  
They can t tell who I am  
**C** **F**  
Slowly (so slowly)  
**C** **F**  
Slowly (so slowly)  
**C** **F** **G**  
Slowly, it s slowly ending
