

That Much A Fool
Continental Drifters

apparently this band has been around for a while,
but this incarnation includes vickie peterson (from the bangles),
and susan cowsill (yes! from the cowsills!)
anyhoo i think this is right,
i pick or strum, and i don t play accordion, though someone
does on the recording...
a lilting, waltz-like tempo.
listen & you ll get it.
any suggestions, corrections, requests, donations?
