

That Much A Fool
Continental Drifters

apparently this band has been around for a while,
but this incarnation includes vickie peterson (from the bangles),
and susan cowsill (yes! from the cowsills!)
anyhoo i think this is right,
i pick or strum, and i don t play accordion, though someone
does on the recording...
a lilting, waltz-like tempo.
listen & you ll get it.
any suggestions, corrections, requests, donations?

That Much a Fool (continental drifters)

Written by Vicki Peterson
Main Vocal: VICKI

capo I

E... F#... E... B (waltz-like rhythm)

B **F#**
Remember the summer we sat in the rain
C#m **E** **B**
Counting the cars on the Southern bound trains

And just for a moment
F#
Our gazes would meet
C#m **E** **B** **E** **F#** **E** **B**
Lips just an instant from kisses so sweet

B
So what ever happened
F#
You turned away
C#m **E** **B**
And I never thought of the right thing to say
F#
So many times i have thought of the kiss
C#m
We never shared
E **B**
