Blue Eyes Crying In The Rain  
(written by willy nelson)  
sung by conway twitty

(A)In the (D)twilight glow, I (A)see her  
(E)Blue eyes cryin in the (A)rain,  
When we (D)kissed goodbye and (A)parted,  
I (E)knew we D never meet A(A)gain,

(D)Love is like a dying ember,  
(A)Only memories re(E)main,  
(A)And through the (D)ages I ll re(A)member,  
(E)Blue eyes cryin in the (A)rain,

Now my (D)hair has turned to (A)silver,  
(E)All my life I?ve loved in (A)vain,  
(A)I can (D)see her star in (A)heaven,  
(E)Blue eyes cryin? in the (A)rain,

(D)Someday when we meet up yonder,  
(A)We ll stroll hand in hand A(E)gain.  
(A)And in A (D)land that knows no (A)parting,  
(E)Blue eyes crying in the (A)rain,  
(E)Blue eyes crying in the (A)rain.
