I May Never Get To Heaven

C **G7**
I walked with you and talked with you
F **G7** **C**
And held your loving hand
F **C** **Am**
We loved awhile and I lived awhile
D7 **G7**
And I thought that fate had it planned
C **G7** **C**
Then someone stole my angel
F **G7** **C**
And I lost what I loved most
C7 **F** **G7** **C** **Am**
I may never get to heaven,
Dm **G7** **C**
But I once came mighty close

F **G7** **C**
I may never play a golden harp
F **G7** **C**
Or spread celestial wings
C7 **F** **G7** **C** **Am**
Or walk a golden staircase
D7 **G7**
While a distant chorus sings.

C **G7** **C**
But once I held your sweet love
C7 **G7** **C**
And felt your tender touch
C7 **F** **G7** **C** **Am**
I may never get to heaven,

Dm G7 C

But I didn't miss it much.

C7 F G7 C Am

I may never get to heaven,

Dm G7 C

But I once came mighty close
