In a way I m glad it s over,

**G**

**D**

even though it s gonna hurt me once you re gone

I can learn to live without you,

**G**

**D**

give me time and I can make it on my own

**D G**

Lovin you to me came easy

**D**

Now losing you will change my life no doubt

**F#m7**

And in a way I m glad it s over,

**Em7**

**A7**

**D**

In another way it turns me inide out

In a way I guess it s better,

Even though there s nothing good about goodbye

And I know I couldn t hold you,

Now you ve found your wings and you need room to fly

And it s for sure I m gonna miss you,

But I guess that s what goodbye is all about

And in a way I m glad it s over,

But in another way it turns me inside out

Bridge:

**G**

On the one hand I know I ll be better off once you re gone,

**D** **A7** **D**

But I find a lot of heartache on the other

**F#m** **G**

And I can t say I ll look forward to those nights I ll spend alone

**D** **A7** **D**

And I wonder will there ever be another

**D** **G**

Loving you to me came easy,

**D**

Now losing you will change my life no doubt

**F#m7**

And in a way I m glad it s over,

**Em7** **A7** **D**

In another way it turns me inside out

**D** **F#m7**

Yes in a way I m glad it s over,

**Em7** **A7** **D**

But in another way it turns me inside out
