D **G** **D**
You walk in and I can hear the whispers
G **D**
As a hush fills the crowded room
A **D** **G** **D**
You stand there looking just like heaven
G **A** **A7** **D**
Lord I ve never seen the likes of you

(Same Chords)
>From the doorway your eyes search every table
As every man turns to look at you
You re special and anyone can see it
And lord I ve never seen the likes of you

Bridge:
G **A** **A7** **D** **A7** **D** **D7**
And then I catch your eye from across the room
G **A** **A7** **D** **A**
And you smile back at me As I walk up to you

(Same as verse 1 and 2)
And say Hello there and put my arms around you
As I remember the day I married you
And now three kids later, You re more beautiful than ever
You know I ve never seen the likes of you

Oh, Lord I ve never seen the likes of you

Yes babe I ve never seen the likes of you
