

Saw you in the corner from the moment I walked in,
Saw your lonely face across the room,
No I won't forget it and the way it could've been
Why'd you have to leave so soon

You know I'd hate to think that someone
Could have loved you more than me
And at times like this
I'd be right by your side

Repeat Chorus:

(additional verses from the original version that Conway did not record)

Bridge:
