Intro: **B, G#m, E, B**

**B** **G#m**  
She can t find the words to break it to me  
**E** **B**  
Cause she always was the gentle kind  
**G#m**  
She s hoping I ll hear it from a friend somewhere  
**E** **B**  
She s hoping I ll read between the lines

**G#m** **C#7** **F#**  
But it comes as no suprise  
**G#m** **C#7** **F#**  
Cause she told me with her eyes  
**B** **G#m**  
So watch her unwind the ties that bind  
**E** **B**  
She s got a single thing in mind

(Chord progression same as the first two verses)

She s already gone except in body  
It s just a matter now of time,  
But I should have seen the storm clouds gathering  
But he who won t look is just as blind

So there s only me to blame

When my woman drops my name  
So watch her unwind the ties that bind  
She s got a single thing in mind
