E D* E D*
I ve been awake ten thousand times and still I look in the mirror
E D* E D*
What do I see? An owl trying to fly in the light of day
E D* E D*
Unaware of what s in my way, I can only find my place
E D* E
And I hope I m wrong, I hope I m wrong, wrong

D* Em D* Em (fill 1 played over Em)

C Am
I said, I said, I said, I said, I said, I said, I said, yeah

Em Bm A Em
Oh here they come destroying my youth and the other side s the same
Bm A Em
When the rain pours their colors showed through, and the new remained

D* E D* E D*

E D* E D*
I ve been asleep for most of my life and still it looks familiar
E D* E D*
The people I meet are callous, taking life in another way
E D* E D*
Contrived in the words they say, keeping time with the wolves at play
E D* E
And I hope I m wrong, I hope I m wrong, wrong

D* Em D* Em (fill 1 played over Em)

C Am

When the rain pours their colors showed through, and the new remained
Bm A
They will pay for all the times we ve come through
Em
In the eyes of hate

Em Bm A
When will I make it?
Em Bm A
Is the world worth taking?
