**E\* F# E\* F# E\***

**F# E\* F# E\***

I ve been awake ten thousand times and still I look in the mirror

**F# E\* F# E\***

What do I see? An owl trying to fly in the light of day

**F# E\* F# E\***

Unaware of what s in my way, I can only find my place

**F# E\* F#**

And I hope I m wrong, I hope I m wrong, wrong

Oh here they come destroying my youth and the other side s the same  
C#m B F#m  
When the rain pours their colors showed through, and the new remained

E\* F# E\* F# E\*

F# E\* F# E\*  
I ve been asleep for most of my life and still it looks familiar  
F# E\* F# E\*  
The people I meet are callous, taking life in another way  
F# E\* F# E\*  
Contrived in the words they say, keeping time with the wolves at play  
F# E\* F#  
And I hope I m wrong, I hope I m wrong, wrong

E\* F#m E\* F#m (fill 1 played over F#m)

When the rain pours their colors showed through, and the new remained  
C#m B  
They will pay for all the times we ve come through  
F#m  
In the eyes of hate

F#m C#m B  
When will I make it?  
F#m C#m B  
Is the world worth taking?  
F#m C#m B F#m  
Oh when will I make it?
