Faith, it looks familiar

**D C G**

The wall draws a portrait of my past

**D**

In the hands of God they cry

**C G**

As every second of the hour goes by

**D**

And the wheels spin, pushing me

**C G**

And the wheels spin come to take me alive

**D C**

The wheels behind me and I m told

**G D**

Bring me away to something I cannot hold

**C G**

They define me, but before that I ll fade away, changing

**D C G**

Life, it s not so simple

**D C G**

Nature wishing will not sever the law

**D**

Saved by child might

**C G**

I couldn t have done much better that before

**D**

And the wheels spin, pushing me

**C G**

And the wheels spin come to take me alive
