Wheels

Cool For August

CD: Grand World

Track 11

Tabbed by Neil Crane

**D C G (4x)**

**D C G**

Faith, it looks familiar

**D C G**

The wall draws a portrait of my past

**D**  
In the hands of God they cry

**C G**  
As every second of the hour goes by

**D**  
And the wheels spin, pushing me

**C G**  
And the wheels spin come to take me alive

**D C**  
The wheels behind me and I m told

**G D**  
Bring me away to something I cannot hold

**C G**  
They define me, but before that I ll fade away, changing

**D C G**  
Life, it s not so simple

**D C G**  
Nature wishing will not sever the law

**D**  
Saved by child might

**C G**  
I couldn t have done much better that before

**D**  
And the wheels spin, pushing me

**C G**  
And the wheels spin come to take me alive

**D C**  
The wheels behind me and I m told

**G D**  
Bring me away to something I cannot hold
