Faith, it looks familiar

C Bb F
The wall draws a portrait of my past

C Bb F
In the hands of God they cry
As every second of the hour goes by

C
And the wheels spin, pushing me

Bb F
And the wheels spin come to take me alive

C Bb
The wheels behind me and I m told

F C
Bring me away to something I cannot hold

Bb F
They define me, but before that I ll fade away, changing

C Bb F
Life, it s not so simple

C Bb F
Nature wishing will not sever the law

C Bb F
Saved by child might

Bb F
I couldn t have done much better that before

C Bb F
And the wheels spin, pushing me

Bb F
And the wheels spin come to take me alive
