Faith, it looks familiar

C# B F#

The wall draws a portrait of my past

C#
In the hands of God they cry

B F#
As every second of the hour goes by

C#
And the wheels spin, pushing me

B F#
And the wheels spin come to take me alive

C# B
The wheels behind me and I m told

F# C#
Bring me away to something I cannot hold

B F#
They define me, but before that I ll fade away, changing

C# B F#
Life, it s not so simple

C# B F#
Nature wishing will not sever the law

C#
Saved by child might

B F#
I couldn t have done much better that before

C#
And the wheels spin, pushing me

B F#
And the wheels spin come to take me alive

C# B
The wheels behind me and I m told

F# C#
Bring me away to something I cannot hold
