**E D A (4x)**

**E D A**  
Faith, it looks familiar

**E D A**  
The wall draws a portrait of my past

**E**  
In the hands of God they cry

**D A**  
As every second of the hour goes by

**E**  
And the wheels spin, pushing me

**D A**  
And the wheels spin come to take me alive

**E D**  
The wheels behind me and I m told

**A E**  
Bring me away to something I cannot hold

**D A**  
They define me, but before that I ll fade away, changing

**E D A**  
Life, it s not so simple

**E D A**  
Nature wishing will not sever the law

**E**  
Saved by child might

**D A**  
I couldn t have done much better that before

**E**  
And the wheels spin, pushing me
