

**By My Side**  
**Copeland**

Stick a capo on that 2nd fret!

Where there s XX (no strum) on chord tabs, I tend to mute with my fingers or just pick strategically strum. It s pretty easy. I ve given you the first verse and the shortened as it s all pretty much the same. Enjoy!

Intro: **F#m7**

**Fm#7** **Ema j**  
It s takin time, all this fear I pushed back to move on  
**Bmin**  
Beating me like a panic attack since you ve gone  
**Dma j** **Ema j**  
And if I never fear to be more alone, I do now, I do now  
**F#m7**  
I turn to see my faded tracks in the snow  
**Ema j** **Bmin**  
I ve come so far with no idea where to go  
**F#m7**  
And if I never fear to be more alone, I do now  
**A#** **A7**  
I do now

Chorus:

**Gma j** **Gmin** **Dma j** **A#7** **Gma j**  
I need you to tell me you ll be right by my side  
**Gmin** **Dma j** **A#7** **Gma j** **Gmin**  
When I feel alone, you ll be right by my side, ooh
