California Copeland

C9 Em D I miss the way you sing low so I can t hear your voice over the radio in my car. You knew every word they sang. You know just the right things to say when the distance rips us farther and farther and farther away. C9 Em I ll see you soon, if you re coming back this way again. Come back to California C9 Em All of us here in florida are starved for your attention. starved for your attention C9 Maybe I fell too fast. Maybe I pushed you away. \mathbf{Em} Now you re gone and I m afraid you re never coming back this way again. Chorus C9 I won t mind if you monopolize all of my time. I won t say a thing at all. D I won t say a word. G Em So back from california Solo e|------B | -----D|-2--4-5----9--7--2--4--5-7-5/7--4------| A | ------ | E | ------|
