

Dont Slow Down
Copeland

B G B G

B
With a heart so pure

G
You could fall so quickly

B **G**
But don t you dare slow down for me

B
Were it not for hearts like mine

G
Calloused thickly

B
You could fall so easily

G
(Don t you dare slow down for me)

D **G**
You could take everything I have

D **G**
Just don t leave my side now, don t leave my side

D **G**
You could take everything I have

D **A?(002230) A**
Just don t leave my side now, don t leave my side

G **B** **A**
Cause your words hit like a train and I can t ignore it

G **B** **A**
This moment could be our last

G **B** **A**
You fall in love and I m running after

G **B** **A**
You move way too fast

B
But don t slow down

G
And don t let go

B
Hold me close now, lest I fall
They say I don t know how to love the right way

B **G**
But you make me feel, you make me feel like I do
