

Good Morning Fire Eater
Copeland

Verse 1:

A

Wake up your eyes

E

And darling, your smile

B

A

The day is done and everyone s gone now

You can taste every fire

E

And hold every song

B

The world has moved

A

Be quick enough to not miss it now

A

So wake up your eyes

E

B

A

And darling, your smile

Chorus:

E

I m afraid you ve stopped to lick your wounds

B

A

Dear, do you know?

E

I m afraid you ve stopped to lick your wounds

Verse 2 (Same chord timing as 1st verse... and as the whole song...):

Wake up your eyes

Darling, it s time

To hope that forever they ll dry out

It never takes long

And everything s gone

I only know her beauty won t fade out

Back on your side

Darling, you lie...

to yourself

REPEAT CHORUS

Bridge:

A

Cause it s no good if you can t have it all.

E

B

I d give it back but I never stole the first part.

A

And it always goes when you need it most,

E

B

The kindest love is still bleeding from the last shot.
