

Im Safer On An Airplane  
Copeland

# Capo 1

Intro: **Em D Am D**

**Em**                      **D**                **Am**                      **D**

It happened then, it happens now

**Em**                      **D**                **Am**                      **D**

They let you in, they let you down

**Em**                **D**                **Am**                      **D**

And it feels like we can t get out

**Em**                **Am**                **D**

And it feels like hell

Chorus:

Em D C D  
I think I m safer in an airplane

Em D C D  
I think I m safer with my lungs full of smoke

Em D C  
I think I m safer on the Jetway

D Em  
Than a world without hope

Em D Am D  
The day came in, the day went out  
Em D Am D  
And not a bit of peace was spoken about  
Em D Am D  
And it feels like a suicidal world  
Em Am D  
And it feels like hell

Em D C D  
I think I m safer in an airplane

Em D C D  
I think I m safer if I run through the streets

Em D C  
I think I m safer on the Jetway

D Em  
Than a world without peace

Em D Am  
Oh, what arms will stretch out when they've had enough?  
D Em D  
Oh, when they are tired of holding up us...
