Kite

Verse 1:

**F Gm C F**  
I hid myself from failure and fear  
**Bb Gm C F**  
Oh my dear youâ€™re a threat to the bad in us all  
**F Gm C F**  
They tell themselves that each word from your lips  
**Bb Gm C F**  
Or the grace in your eyes overcomes any fall

Pre-Chorus:

**F Am Bb F**  
All through the twilight youâ€™re listening for me  
**Gm F E Am**  
Darling, go to sleep  
**F Am Bb F**  
Cradled by moonlight, Iâ€™m dreaming weâ€™ll be  
**Gm F E Am**  
Loved so deep

Chorus:

**D D/C# D/C Em**  
Floating and fighting, like a kite on a string  
**Eo D D(B5) C#o**  
â€™Till you cut through my tether and changed everything  
**D D/C# D/C Em**  
From the sky you looked small, but I loved you the same  
**Eo D D(B5) C#o**  
So I darted back quickly to spell out your name  
**D D/C# D/C Em**  
And when they say that Iâ€™m just a terrible kite  
**Eo D D(B5) C#o Dm - Am - Bb - Gm**  
Youâ€™ll tell them youâ€™re proud of my marvelous flight

**Dm - Am - Gm - F/A**

Verse 2:

**F Gm C F**  
Donâ€™t hide yourself inside â€™till Iâ€™m old  
**Bb Gm C F**  
Oh my dear youâ€™re a threat to the bad we all see  
**F Gm C F**  
Iâ€™m beside myself for the touch of your lips  
**Bb Gm C F**

Or the grace of your eyes that can see good in me

(Pre-Chorus)

Chorus:

**D**                    **D/C#**                    **D/C**                    **Em**  
Floating and fighting, like a kite on a string  
                  **Eo**                    **D**                    **D(B5)**                    **C#o**  
â€™Till you cut through my tether and changed everything  
                  **D**                    **D/C#**                    **D/C**                    **Em**  
From the sky you looked small, but I loved you the same  
                  **Eo**                    **D**                    **D(B5)**                    **C#o**  
So I darted back quickly to spell out your name  
                  **D**                    **D/C#**                    **D/C**                    **Em**  
And when they say that Iâ€™m just a terrible kite  
                  **Eo**                    **D**                    **D(B5)** **C#o**    **Dm - Am - Bb - Gm**  
Youâ€™ll tell them youâ€™re proud of my marvelous flight
