

You Love To Sing
Copeland

F C G F C G

Dm G
i ve never any time to play
Dm G
i always seems to slip away
C F
but it never really goes by
C Am
while i wait here with my lullaby
Em G
for our only try

F C
sing with your head up
Em
with your eyes closed
F C
not because you love the song
G
because you love to sing
G F C F C
because you love to sing, oh

Dm G
you saw this frustration on my brow
Dm G
you noticed i m distracted now
C F
i m thinking only of my bill fold
C
and how I want to face you with
Am Em G
diamonds and gold in my head, in my head

Chorus again

Bridge:
Am C Am C x2
F C F C x2
