

Jacqueline  
Coral

Capo on 4st

[Intro]

D D  
Em A D Bm  
Em A D D

[Verse 1]

          D                  Em          A  
You left before the rain came down  
          A          D          Bm  
December was the only sound  
          Bm                  Em          A  
All the leaves fell to the ground  
A          D  
When you went away  
          D          Em          A  
It s a crying shame to see  
          A          D  
A kiss become a memory  
          Bm          Em  Em          A  
Now I know just what you mean  
          A          D  
When you say

[Bridge]

          G                  F#M          G          F#M  
Way above, where the north winds blow  
          G                  F#M          G          A  
We will watch out afar to the valley below  
          Em          G          D  
Oh, Ja cqueline I know  
          Em          G          D  
Oh, Ja cqueline I know

[Verse 2]

          D                  Em          A  
A pattern of the ways it seems  
          A                  D          Bm  
That s the way it has to be  
          Bm                  Em          A  
Now I know just what you mean  
          A          D  
When you say  
          G                  F#M          G          F#M  
Way above, where the north winds blow  
          G                  F#M          G          A

We will watch out afar to the valley below

[Chorus]

**Em G D**  
Oh, Ja cqueline I know  
**Em G D**  
Oh, Ja cqueline I know

[Instrumental]

**D Em A D Bm**  
**Em A D D**

[Middle 8]

**Bm A G Bm**  
The coven house where you now go  
**F#M A G**  
It stole our love, don t you know  
**Bm**  
Don t you know?

[Chorus 2]

**Em G D**  
Oh, Ja cqueline don t go  
**Em G D**  
Oh, Ja cqueline I know  
**Em G D**  
Oh, Ja cqueline don t go  
**Em G D**  
Oh, Ja cqueline I know

[Instrumental]

(End of the song)

[Outro]

**D Em A D Bm**  
**Em A D D**
