I got tired of looking this song up on here and not finding this. If you can do
better chords please do.

optional to have the switch from F to Gm

[Intro]

Gm F Eb Dm

[Verse 1]

Gm F
We just met, girl, I know
Eb F
But you had me pressed on arrival
Gm F
Spent too many nights on my own
Eb D
Now you're all I see when the lights low
Cm Dm
Is it hard to imagine being one?
Eb D
Am I reading it right, tell me am I wrong?
Cm Dm
You seem unsettled, touch my arm
Eb Bb
Just keep the pressure mine til dawn

[Verse 2]

Gm Bb F
We'll get out of town, leave the coast here
Eb
It's a two day drive if we both steer
Gm F
Make sure to pack for the cold years
Eb D
And we'll be just fine if we're close, dear
Cm Dm
If you lose interest, leave me to die
Eb D
No it wouldn't be the first time, I won't mind
Cm Dm
You call me pathetic, at least I tried
Eb Gm
Couldn't keep these feelings tucked inside

[Chorus]

Bb Eb

Oh, I m on ice

D Gm

Can t you tell?

Bb Eb

I m on ice

D Cm

My heart s so still

[Post-Chorus]

Dm Eb
Press up closer, you drive me mad

D Cm
Just tell me you re willing, leave all you had

Dm Eb
Don t expect to convince you to take my hand

Bb F
Won t you find it in you, I know you can

[Verse 3]

Gm Bb F
Still haven t left like I promised

Eb F
Waiting for you if I m being honest

Gm Bb F
Been a while since I ve known what I ve wanted

Eb Dm
It s you till the days that we re rotten

Cm Dm
That night last month you said I was the one

Eb D Cm
I know you meant it, tell me I m wrong

Dm Eb
I ll keep you safe, girl, hold my arm

D Gm
I ll bury those who mean you harm

[Chorus]

Bb Eb
Oh, I m on ice

D Gm
Can t you tell?
