This Town's a Drag

Chord structure varies between open and barred chords. Experiment and see what you like.

[Intro]

F#m B

[Verse 1]

A E A E
This town's a drag, no drugs, heats on, dried up
A E B A
Mad cops, drawn guns, flat top, kill buzz
A E A E
Ain't it a drag, no drugs, straight laced, straight up
A E B
and my last good lover is gone

[Chorus]

E B F#m A
So you let me know if it's goin' around
E B F#m A
When you're into the ground let me know what you found
E B F#m A
Let me know what you found, let me know, let me know
B
It's breaking me down

[Verse 2]

A E A E
Tired waiting around, don't care, you drive slow, I could walk there
A E A E
Who knows who's holding, who else can throw in
A E B A
And wide eyed, like a ray gun, it's a fine life when you stay young
A E B
And I'm all smiles, wanna see one, cause it's all right, in the long run

[Chorus]

E B F#m A
So you let me know if it's goin' around
E B F#m A
When you're into the ground let me know what you found

E **B** **F#m** **A**
Let me know what you found, let me know, let me know

B
It s breaking me down

[Interlude]

F#m B F#m B F#m B F#m B

[Ending]

A **E** **A** **E**
This town s a drag, no love, too cool, froze up

A **E** **B** **A**
High brow, nose up, bring some, if he shows up
